SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE DON-NAVY 2018-004685

Dear Mr. Marchese:

This acknowledges receipt and is a final response to your February 5, 2018, Freedom of Information Act (FOIA) request in which you seek any solicitation, RFPs, and/or contract awards related to the drafting or development of the agency's requirement for the NAVSEA Enterprise Planning System (NEPS). Your request was received by this office on February 22, 2018, and has been assigned case number DON-NAVY 2018-004685.

Upon receipt of your request, we conducted an extensive search of our files, specifically those located in the Program Executive Office Submarines, the Naval Surface Warfare Center Headquarters, and the Naval Undersea Warfare Center, Keyport. During that search we learned that the NEPS is not a new software application but an extension of the existing WAW system, which is a government-owned application hosted and maintained by a government team at NUWC Keyport in support of NAVSEA and the Warfare Centers. Therefore no records could be identified as responsive to your request.

If you believe that we have not conducted an adequate search, you may file an administrative appeal. Your appeal should contain an explanation as to why you believe our search was inadequate and must be received within 90 calendar days from the date of this letter.

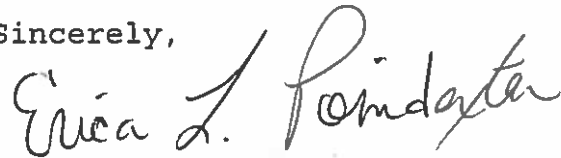

If you do file an appeal, attach a copy of this letter to the appeal and mark the appeal letter and the envelope FREEDOM OF INFORMATION ACT APPEAL. Mail the original appeal to the

Department of the Navy, Office of the General Counsel, 1000 Navy Pentagon, Washington, DC 20350. Mail a copy of your appeal to the Commander, Naval Sea Systems Command, (SEA 00A5), 1333 Isaac Hull Avenue SE, Washington Navy Yard, DC 20376-2101.

Fees for processing your request were below the threshold for requiring payment; however, fees are assessed on a case-by-case basis and you may be charged fees on future requests.

If you have any questions concerning the processing of your request, please contact Ms. Ginger Dolan, at 202-781-3359.

Sincerely,

A handwritten signature in cursive script, appearing to read "Donna M. Hamlin".
